

PORK ...BOIG PER TU

Pork is located at the heart of the Born district, right behind the the Llotja de Mar, in a unique space full of history which has witnessed the district's artisan past and has now been transformed by the architect Txema Retana, with a great pork hanging from the ceiling, created by the genial artist Mikel Urmeneta.

OUR CUISINE

Our open kitchen, fully traditional, is presided by our i-Rational wood oven, our invention to pay homage to the great neapolitan masters. In our oven we patiently roast every part of the pork, each marinated and cooked at the right point to be able to enjoy its quality, and we also cook our wonderful pizzas. PORK is an alliance of two families bound by their love of traditional products, lead by chefs Iñaki Lz de Viñaspre and Oriol Rovira.
